Please keep all food (including gum + candy), drinks, snacks, party items (silly string/confetti poppers) away from the inflatable.

Shoes must be removed. Always slide feet first on your bottom.

No flips, somersaults, rough play, unsafe activities, or climbing on the unit outside of the safety net area.

No sharp objects (remove from pockets) keys, jewelry, eyeglasses, knives, etc. near the inflatables or the equipment.

No pets in or near the inflatable or equipment.

No cigarettes or flammables near the inflatable or equipment.

No paint, markers, stickers, soap, bubbles, oil, spray sunscreen, etc. are allowed anywhere near the inflatables or equipment. A \$500 cleaning fee may be applied if these rules are broken. If the unit is unable to be cleaned and/or is damaged beyond repair - you will be charged the full replacement cost of the unit, which is typically anywhere from \$2,000 - \$7,000.

Please do not move the inflatable or equipment once our crew secures everything and leaves the premises. This is not safe! Our crew will place the unit in the best location possible after consulting with you.

**WEATHER:** If heavy rain comes, lightning, thunder, or winds in excess of 10-15mph you MUST unplug the blower directly from the wall and let the unit deflate. Once the storm has passed, you may plug the blower back in and inflate the unit. Failing to unplug the unit during a storm can cause serious bodily harm, as well as serious harm to the unit itself. Each unit is secured to the ground via stakes (grass) or sandbags (concrete/pavement), but heavy winds can move these causing the inflatable to lift off the ground since it is full of air. Please be weather aware for your safety!!

**You will be held responsible for any damages that occur to the rental(s) while in your possession.**
